Fürstenfeldbruck is home to one of the university locations of the Bavarian police. Fürstenfeldbruck is located approx. 25 km west of Munich. The university has been located in a former Cistercian monastery (built between 1691 and 1701) since 1975. We were able to supply special interior doors and exterior doors as well as fire protection windows for the historic building in accordance with the specifications for listed buildings.

Interior doors

Interior doors are more than just passages: they emboss the atmosphere of a room. We offer you a complete range of interior doors and casings - made of wood, glass, steel, CPL, HPL and for a wide variety of styles.

Functional doors

Functional doors must not only be technically and technically convincing: they must also integrate aesthetically into a room design. From fire, smoke, sound and burglary protection doors to damp-proof and climate-stable doors, we offer you doors that meet both requirements.
