Haus der Musik

Category: Educational institutions

Year: 2015

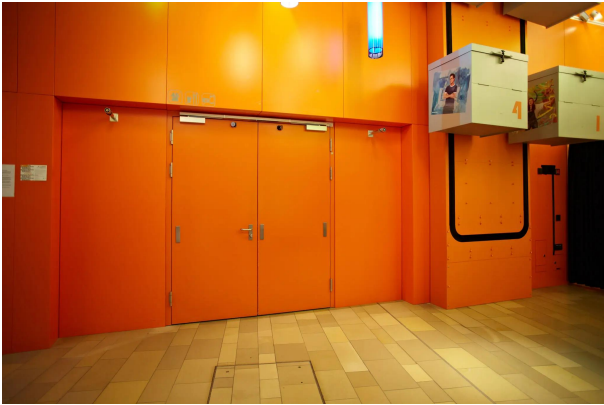

Brand: TPO

Functions: sound insulation

The House of Music in Regensburg is located in the former listed Präsidialpalais, which previously housed the headquarters of the Lower Bavaria-Upper Palatinate State Police Directorate. Logically, the doors in this building had to comply with the listed building regulations. At the same time, requirements had to be met - particularly in terms of sound insulation.

Functional doors

Functional doors must not only be technically and technically convincing: they must also integrate aesthetically into a room design. From fire, smoke, sound and burglary protection doors to damp-proof and climate-stable doors, we offer you doors that meet both requirements.
