Category: Residential construction

Year: 1960

Brand: GARANT

The Knieper Nord district is located in the north of the Hanseatic city of Stralsund, which is also known as the gates to the island of Rügen due to its situation.

About the project

The district, named after the Knep family from the 14th century, which also belongs to the Stralsund lido with a fine sandy city beach, is part of an urban expansion from the 1960s and today offers a colorful mix of architecture from recent decades. This district has a very good infrastructure as well as numerous shopping facilities and service companies. It is a popular residential area for different generations.

Interior doors

Interior doors are more than just passages: they emboss the atmosphere of a room. We offer you a complete range of interior doors and casings - made of wood, glass, steel, CPL, HPL and for a wide variety of styles.

Functional doors

Functional doors must not only be technically and technically convincing: they must also integrate aesthetically into a room design. From fire, smoke, sound and burglary protection doors to damp-proof and climate-stable doors, we offer you doors that meet both requirements.
