Even the address of the building complex "Am Hochmeisterplatz" promises exclusivity. The area, located on the square of the same name in the heart of Berlin, is named after the highest dignitaries of the Teutonic Order - the Grand Masters.

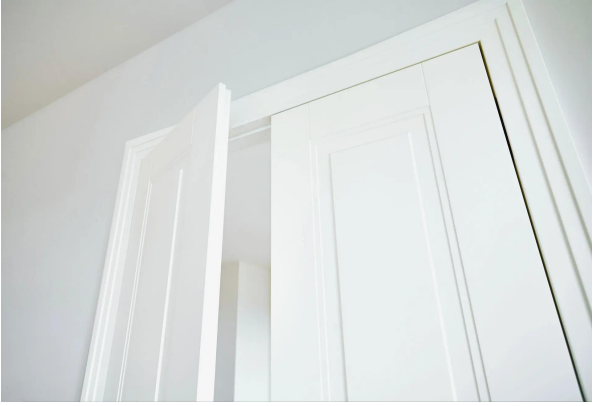

About the project

The new residential building of Berlin-based Bauwert AG more than lives up to this designation: it impresses with its bright, classicist style and elegant, high-quality furnishings. This is also evident in the selection of interior doors from the Elegance white lacquer program.
