

Property card

Stadtpalais Köln

Category: Lodging establishments

Year: 2010

Brand: PRÜM

Functions: Smoke protection, fire protection, sound insulation

Old meets new - what initially sounds like a contrast can also form a harmonious design concept. The former Kaiser-Wilhelm-Bad in Cologne, which is now home to the Hotel Stadtpalais, shows how this can be achieved in practice at a high level of architecture.

Interior doors

Functional and stylish interior doors for residential and commercial buildings □ Find the right interior door now

Functional doors

Functional doors must not only be technically and technically convincing: they must also integrate aesthetically into a room design. From fire, smoke, sound and burglary protection doors to humid rooms and climate-stable doors, we offer you doors that fulfil both requirements.
