Tailormade Hotel Leo St. Gallen

Category: Hotel

Year: 2023

Type: New building

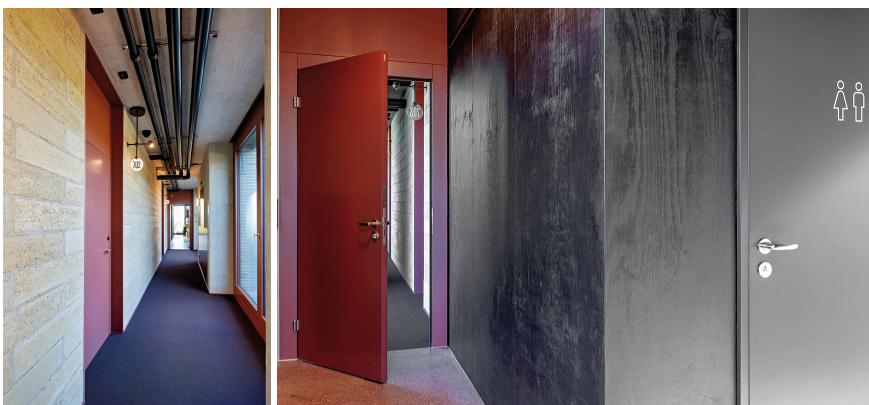

Brand: RWD Schlatter

Building promoter: HRS Real Estate AG

Architect: Boltshauser Architekten AG

We delivered different doors for this new-build project. Our bespoke hotel room doors in an elegant brown-red color give the rooms a warm and inviting atmosphere. Stylish black wood doors for the doors in the rooms provide additional elegance. Our high-quality doors in the staircase not only contribute to security, but are also an important part of the overall aesthetic appearance of the hotel. Maximum security and accessibility are ensured by our high-quality functional doors in the plinth and basement.
