Bankruptcy and debt enforcement office

Category: Public buildings

Year: 2020

Type: New building

Brand: RWD Schlatter

Building promoter: Städtebau & Architektur

Architect: Wirth + Wirth AG

A total of 48 functional doors from RWD Schlatter were installed in the premises of the Basel Bankruptcy and Debt Enforcement Office. As confidential discussions are often held here, doors with reliable sound insulation were an absolute must. The UniStar and SoundStar soundproof doors reliably meet these high requirements and at the same time impress with their simple appearance.
