

Property card

# Free community bank

---

Category: Special buildings

Year: 2017

Type: New building

Brand: RWD Schlatter

Architect: Vischer AG Architekten + Planer

Building promoter: Freie Gemeinschaftsbank

---

The unusual design language of the building is also reflected in the doors from RWD Schlatter. The FlamEx, UniStar and SoundStar doors are real eye-catchers. At the same time, they meet today's requirements in terms of fire protection, burglary protection and sound insulation. Function and appearance in perfect symbiosis.
