Thanks to state-of-the-art entertainment technology, a visit to the cinema here is a unique experience and the Sound-Star doors ensure that the sound stays in the auditoriums and that visitors to the adjacent café remain undisturbed. In the other publicly accessible ranges, UniStar doors (fire/burglary protection) and Allrounder doors ensure the security of cinema-goers.

## Functional doors

Functional doors must not only be technically and technically convincing: they must also integrate aesthetically into a room design. From fire, smoke, sound and burglary protection doors to damp-proof and climate-stable doors, we offer you doors that meet both requirements.
